AR-153E

Compact Digital Document System With Powerful Features

The Sharp AR-153E Digital IMAGER[™] combines leading edge features with flexible functionality all in a compact desktop design. With a 250-sheet letter/legal paper supply, 50-sheet bypass tray, and Scan-Once Print-Many (SOPM) technology, the AR-153E is well equipped to deliver the productivity required in today's fast-paced office environments. And, with options that include a 30-sheet automatic document feeder, an additional 250-sheet paper tray, PC printing & color scanning, the AR-153E can grow with your business. Additionally, the AR-153E uses a cost-efficient conventional supply system (separate toner, developer, and drum), which is more economical and can reduce your total cost of ownership.

The Sharp AR-153E Digital IMAGER is a versatile solution for any growing business looking to maximize productivity.

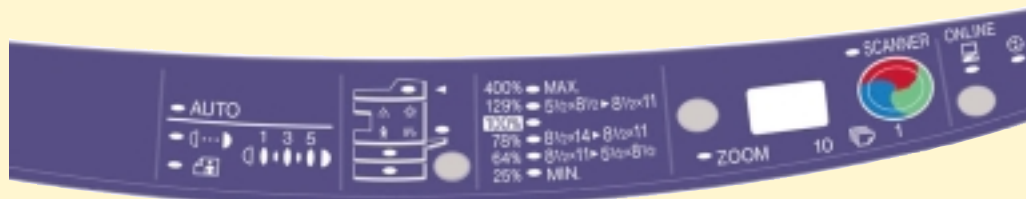

features

- 15-PPM compact desktop digital copier with high-quality 600 dpi output.
- An efficient 30-sheet automatic document feeder option allows you to copy multiple page documents quickly and with minimal effort—enabling you to be more productive.
- Flexible paper handling—the AR-153E includes a 250-sheet paper supply, which is upgradeable to 500 sheets.
- A 50-sheet bypass tray allows easy copying onto different size paper, ranging from 3 1/2" x 5 1/2" up to 8 1/2" x 14". The bypass tray also simplifies copying onto envelopes, labels, and transparencies.
- Powerful zoom magnification mode adjusts from 25% to 400%, offering a wide range of enlargement/reduction settings. Also includes six preset modes for easy image to paper sizing.
- The optional MFP kit turns the AR-153E IMAGER into a three-in-one solution (Copy/Print/Scan).

Optional MFP Kit Includes:

- ▶ High quality 600 dpi PC printing system offers advanced image adjustment, draft mode, print from bypass tray, fit to page, N-up printing, and watermark settings.
- ▶ TWAIN compliant 600 dpi full-color PC scanner incorporates an intuitive image capture utility, enabling you to easily adjust brightness, color, resolution, contrast, size, and more.
- ▶ Standard USB and Parallel Ports allow flexible connection options for your PC, making installation simple and painless.
- ▶ Sharpdesk[™] desktop document management software. Sharpdesk allows you to integrate your business documents regardless of the application that was used to create them. Use Sharpdesk to organize, annotate, edit and combine your files before you print, e-mail or fax them.

SHARP[®]

AR-153E COPIER SPECIFICATIONS

Type:	Digital copying machine, desk-top type
Copy system:	Dry, electrostatic
Originals:	Sheets, bound documents
Feeder:	Optional 30-sheet single pass feeder (SPF)
Original size:	Max. 8 1/2" x 14"
Copy sizes:	3 1/2" x 5 1/2" to 8 1/2" x 14"
Copying speed:	15 copies per minute
Continuous copy:	Max. 99; subtractive counter
Copy ratio:	Variable: 25%-400% in 1% increments (total 376 steps) Fixed Presets: 25%, 64%, 78%, 100%, 129%, 400%
First copy time:	Approx. 9.6 sec. (normal copying mode)
Copy paper feed:	One 250-sheet paper tray with automatic feed; one bypass tray with 50-sheet automatic feed capability
Fusing system:	Heat rollers
Developer system:	Magnetic brush development

Exposure system:	Original table: Moving optical source, slit exposure (stationary platen) with automatic exposure
Light source:	Xenon lamp
Resolution:	Output: 600 dpi
Gradation:	Scan: 256 levels; Output: 2 levels
Memory:	8 MB (1-page memory buffer)
Power supply:	AC (120V ± 10%, 60 HZ (±2%))
Power consumption:	Max 1.3kW
Weight:	Approx. 35.2 lbs.; including supplies
Copier dimensions:	19.6" (W) x 18.2" (D) x 11.7" (H)
Operating conditions:	Temperature: 50° F to 86° F (10° C to 30° C); Humidity 20-85%
Optional equipment:	Single Pass Feeder (AR-SP5) 250-sheet Paper Tray (AR-D16) MFP Expansion Kit (AR-PG2)

AR-PG2 MFP EXPANSION KIT (Optional)

PC Printer	
PDL:	Host-based
Resolution:	600 dpi / 300 dpi
Print speed:	Up to 12 PPM
Standard interface:	IEEE 1284 bi-directional Parallel Port (1) USB Port (1)
Plug and play:	Yes
Operating system:	Microsoft Windows® 95, 98, ME, XP Windows® 2000, NT4 Workstation (with SP6)
Memory:	Shared
Paper selection:	Tray 1, Tray 2 (option), or Bypass tray
N-Up printing:	Yes 2/4
Fit to page:	Yes
Print quality selection:	Draft, Normal
Watermark:	Yes

PC Color Scanner	
Scanning protocol:	TWAIN Compliant
Type:	Flatbed Color Scanner
Resolution:	600 x 1200 dpi
Interface:	USB
Operating system:	Microsoft Windows® 98, ME, XP Windows® 2000
Scanning utility software:	Button Manager / Sharpdesk™

Status Monitor	
Operating system:	Microsoft Windows® 98, ME, XP Windows® 2000
Normal indications:	Scanning, copying, and sending
Warning indications:	Supplies low
Error indications:	Supplies empty, covers open, misfeed, communication
